An ordinary couple

Author's Notes:
I've posted a picture to go with this story in the Skid Row thread on the message board.

They hadn't noticed the change in the weather from inside the cozy little Irish pub. A strong wind accompanied the pouring rain that would definitely get them soaked on their way back to the hotel. Running wouldn't make a difference, so they strolled down the empty streets and continued their conversation.

Suddenly Rachel had an idea. He took ZP's hand in his and they smiled at each other.

For a few minutes, they were able to walk hand in hand, like any other couple in the world. For a brief moment, they were living an ordinary life.
